**MATHEMATICS – NUMERACY
UNIT 2: CALCULATOR-ALLOWED
FOUNDATION TIER**

THURSDAY, 8 NOVEMBER 2018 – MORNING

1 hour 30 minutes

ADDITIONAL MATERIALS

A calculator will be required for this paper.

A ruler, a protractor and a pair of compasses may be required.

INSTRUCTIONS TO CANDIDATES

Use black ink or black ball-point pen. Do not use gel pen or correction fluid.

You may use a pencil for graphs and diagrams only.

Write your name, centre number and candidate number in the spaces at the top of this page.

Answer **all** the questions in the spaces provided.

If you run out of space, use the continuation page at the back of the booklet. Question numbers must be given for the work written on the continuation page.

Take π as 3.14 or use the π button on your calculator.

INFORMATION FOR CANDIDATES

You should give details of your method of solution when appropriate.

Unless stated, diagrams are not drawn to scale.

Scale drawing solutions will not be acceptable where you are asked to calculate.

The number of marks is given in brackets at the end of each question or part-question.

In question 3, the assessment will take into account the quality of your linguistic and mathematical organisation, communication and accuracy in writing.

For Examiner's use only

1. Stereophonics is a Welsh rock band from Cwmaman, South Wales. The following facts were found on the internet about the band.

Kelly Jones, the lead singer and guitarist of the band, was born on 3 June 1974

The song *Dakota* spent a total of 44 weeks in the UK Singles Chart

In January 2018, Stereophonics had 931511 followers on *Facebook*

In 2016, Stereophonics sold all the tickets for a concert at Wrexham Racecourse in just 10 minutes

Use the facts above to answer the following questions.

(a) How old is Kelly Jones? [1]

.....
.....
..... years old

(b) Write down, in words, the number of followers Stereophonics had on *Facebook* in January 2018. [1]

.....
.....
.....

(c) In how many seconds did Stereophonics sell all the tickets for the concert at Wrexham Racecourse? Circle your answer. [1]

60 seconds 2640 seconds 6000 seconds 600 seconds 264 seconds

.....
.....

(d) How many **days** did *Dakota* spend in the UK Singles Chart? [1]

.....
.....
..... days

(e) A song written by Stereophonics is called *A Thousand Trees*.

David has a thousand trees.
He wants to plant the trees in rows.
He wants 73 trees in each row.
How many **full** rows of trees can David plant?

[2]

.....

.....

.....

..... rows

2. In the UK, in 2016, four popular social networking websites were used. A website listed approximately how many people used them. Some of the information can be found in the table and pictogram below.

- The number of people who used *Twitter* was half of the number of people who used *Facebook*.
- Four million more people used *Instagram* than used *Snapchat*.

Website	UK users (millions)
<i>Facebook</i>	
<i>Twitter</i>	
<i>Snapchat</i>	10
<i>Instagram</i>	

KEY:  represents 8 million UK users

Website				
<i>Facebook</i>				
<i>Twitter</i>				
<i>Snapchat</i>				
<i>Instagram</i>				

- (a) In the pictogram,  represents 8 million UK users.

How many UK users does  represent?

Circle your answer.

[1]

7 million

4 million

5 million

6 million

2 million

.....

.....

- (b) Complete the missing information in the table and the pictogram.

[6]

Space for working:

.....

.....

.....

.....

- (c) Approximately 65 640 000 people lived in the UK in 2016.

Rahman believes that more than half of the people who lived in the UK in 2016 used *Facebook*.

Is Rahman correct?

Yes

No

Give a reason for your answer.

[1]

.....

.....

.....

- (d) Five friends recorded the number of minutes they spent using social networking websites in a **week** (including Saturday and Sunday).

The results are shown in the table below.

Alfie	Catrin	Elsie	Lowri	Lionel
525 minutes	210 minutes	870 minutes	420 minutes	480 minutes

Are the statements below true or false?
You must show all your working.

(i)

TRUE

FALSE

3. *In this question, you will be assessed on the quality of your organisation, communication and accuracy in writing.*

Mrs Davies has a rectangular garden.
The width of the garden is 5.4 m.
The length of the garden is 9 m.

She wants to place fence panels around **three** sides of the garden, as shown in the diagram below.
Each fence panel is 1.8 m long and costs £18.69.

Diagram not drawn to scale

Find the total cost of the fence panels for the three sides of the garden.
Give your answer correct to the nearest pound (£).
You must show all your working.

4. The following conversion graph can be used to convert between kilograms (kg) and pounds (lb).

- (a) Use the graph to convert 2.5 kg into pounds (lb).
Circle your answer.

[1]

5.5 lb

4.75 lb

5.25 lb

1.1 lb

1.4 lb

Griff is a chef.
In Griff's restaurant, customers can decide whether they want their roast beef cooked *rare*, *medium* or *well done*.

Griff weighs the piece of beef he is to cook and then uses the following formulae to calculate its cooking time.

$\text{Cooking time (rare)} = 20 \text{ minutes per lb} + 20 \text{ minutes}$
$\text{Cooking time (medium)} = 25 \text{ minutes per lb} + 25 \text{ minutes}$
$\text{Cooking time (well done)} = 30 \text{ minutes per lb} + 30 \text{ minutes}$

- (b) A 4 lb piece of beef is to be cooked **rare**.
Calculate the cooking time in minutes.

[2]

.....

.....

.....

.....

- (c) A **3 kg** piece of beef is to be cooked **well done**.
Calculate the cooking time in minutes.

[3]

.....

.....

.....

.....

5. (a)

T-shirt

Was £46

Now **22% off** in the sale

Pair of shoes

Was £43.60

Now **$\frac{3}{8}$ off** in the sale

(i) Calculate the sale price of the T-shirt.

[2]

.....

.....

.....

.....

(ii) Calculate the sale price of the pair of shoes.

[2]

.....

.....

.....

.....

(b) Before the sale, a pair of jeans cost £43.
 In the sale, the jeans cost £37.
 By what fraction have the jeans been reduced in the sale?
 Circle your answer.

[1]

 $\frac{37}{43}$ $\frac{43}{37}$ $\frac{6}{43}$ $\frac{6}{37}$ $\frac{37}{6}$

6. Mixing 200 ml of white paint with 10 ml of red paint and 5 ml of blue paint makes light purple paint.

Paint is sold in tins of size 250 ml, 500 ml and 1 litre.

Jana is going to make some light purple paint.
She does not want to have any white, red or blue paint left over.
Jana wants to buy as **few tins of paint as possible**.

She buys a 250 ml tin of blue paint.

How many tins of paint will Jana need to buy altogether?
Complete the table below.

[6]

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Colour of paint	Size of tin	Number of tins
Blue	250 ml	1
Red
White
		Total number of tins of paint =

7. *Airand Electronics* only sells digital tablets and covers.

The Venn diagram shows the number of items sold by *Airand Electronics* during the first week in May.

Each tablet was sold for £220.
Each cover was sold for £18.

How much money in total did *Airand Electronics* take in the first week of May?

You must show all your working.

[3]

.....

.....

.....

.....

.....

.....

.....

8. (a) *Rushmoore Energy* is a company that supplies electricity. Last year, *Rushmoore Energy* displayed the following information in a pie chart.

The pie chart represents a total of £9100 million.

How much profit did *Rushmoore Energy* make last year?
Give your answer in millions of pounds.

[3]

.....

.....

.....

.....

Profit £ million

- (b) Last year, *Rushmoore Energy* had 8.58 million customers. The previous year, *Rushmoore Energy* had 8.21 million customers. How many extra customers were there last year?
Circle your answer.

[1]

37 000 370 000 3 700 000 0.37 37 000 000

.....

.....

.....

- (c) Maggie looks at the back of her electricity bill.
It shows how much energy she used last period and this period.
This is the display she sees.

Is this decrease of 8% correct for the reduction in kWh?
You must show all your working to support your answer.
